That's super cool Michael! Congratulations to both of you on excellent work! When you get a chance, if you could forward me a copy of the invitation, that would be helpful. I hope you guys have a great time!

Subject: Michael and Tracie invited to 2014 National Forum on Contaminants in Fish

Miss Katherine Brown from EPA,
Tracie and I have been invited by EPA to do a presentation with ADEC on our subsistence food assessment with the tribes and the phase II work with ADEC and the tribes at the 2014 National Forum on Contaminants in Fish this September in Alexandria, Virginia. They are paying for our transportation and lodging for us to get there. It is only a 45 minute presentation so hopefully we will be able to do our portion in the 15-20 minutes we will have.
Hope you had a nice vacation
Michael
